

CRYOPLATE

FAST TISSUE BLOCK CHILLING

Fast tissue block chilling

Compact, small footprint

Low profile height

Zero vibrations

Virtually silent operation

Adjustable temperature

SPECIFICATIONS

OPERATION

Cooling technology	Proprietary technology
Vibration level	Virtually absent
Noise level	Virtually silent / settings dependent
Max power	135 W

DIMENSIONS

Footprint	32 x 24 cm
Profile height	5 cm
Capacity	24 tissue cassettes
Weight	7.6 Kg

TEMPERATURE CONTROL

3S Model

Temp. -4C to -10C
Manual control

3X Model

Temp. +15 C to -10 C
Electronic control
Alarm monitoring
Auto turn-on/turn-off
Auto commands
LabIOT system compatible
